About the Awards of Excellence Program:

NAIOP's Annual Awards are the most prestigious in the commercial real estate community. Nominees should be the firms and individuals that best represent our industry in the quality of their real estate projects, their leadership and their contributions and involvement in the communities in which they do business.

The Awards of Excellence Program is dedicated to recognizing excellence in the design, development and market success of industrial, office and mixed-use projects; and increasing awareness of the many benefits of outstanding design and development.
